Frequently Asked Questions...

Q: Will a 9' x 10' carpet cover the floor of a 10' x 10' booth space?

A: Yes, carpet is placed leaving the exposed area at the back of your booth. Back Drape along with booth furnishings and displays will cover the remaining exposed area.

Q: What exactly is "Visqueen"?

A: Visqueen is a plastic protective covering for your carpet. Use of this is highly recommended due to debris and high volume of traffic in your booth during set up. Removal is automatically done prior to show opening.

Q: What is the difference between "Prestige" and "Standard" Carpet?

A: Prestige is a plush 30 oz. deep pile carpet, which is available in 16 custom colors. Standard carpet is a 16 oz. stock carpet available in 9 standard colors.

Q: What happens if I forget to choose a carpet color?

A: We will attempt to reach you to obtain your color preference. If we have not been able to do so by the time of move-in, you will receive either the show colors or a neutral color depending upon availability.
